January 7, 2008

### **Lance Williams Named Library Circulation Manager**

NASHVILLE, TN—Mr. Lance Williams, 23-year-old English and Education graduate from Pocahontas, Arkansas, has been named Circulation Manager and Night Supervisor at Free Will Baptist Bible College's Welch Library, according to Librarian Carol Reid. He began his full-time duties in January 2008.

Mrs. Reid said, "Lance is the kind of guy who always comes to your rescue. For the past four years, he has done everything we asked from moving boxes and assembling furniture to offering reference assistance and reviewing books. His responsibility and dependability, his love of books and reading, his affinity for libraries and reference work and our students—all qualify him well for his position here at Welch Library. We are delighted to add him to our staff as we anticipate growing demands on our library with the new online program."

Williams completed his studies in December 2007 and was named to the President's List (made all A's). He will receive his bachelor's degree in May. While a student, he participated four years in the Evangels drama group, serving as Team Leader in 2006. He also served as vice president of the Bunyan Society and as Prayer Band leader.

"I'm looking forward to working in Welch Library," Williams said. "One of my goals is to pursue a master's degree in library science. I hope to start those studies as soon as possible."
